5. Amethyst pendant

Discover an exquisite range of necklaces and pendants at W Carter & Son of Salisbury, including this delightful amethyst pendant. The oldest family firm in Salisbury also offers a fine selection of pearl necklets and chokers as well as gold chains and collars.

Tel: 01722 324340

6. Fun wire sculptures

Sarah Jane Brown has been making little animal sculptures out of wire knitting since 2001. She first moulds the shape of the body and then adds the legs and tails with hand stitching. Lastly collars, tags, eyes, noses and whiskers complete the animal. Each piece can be gently manipulated to alter the stance or position. They'll make you smile each day and you'll never get a vet's bill!
